

Improve your ACT Score!

Our course helps you to find common trends in your mistakes and will help you address particular areas through computer analysis, test-taking strategies, exercises, and worksheets.

More than 3200 students have participated in our course and, on average, improved 3.1 points on their total score.

To offer maximum flexibility for busy student schedules, we hold identical classes on Sunday and Tuesday at our Victor location (600 Fishers Station Drive). Students only need to attend one class per week, and are free to choose which day they attend each week.

Register for test before 8/4 www.actstudent.org
