

## Improve your ACT Score!

Our course helps you to find common trends in your mistakes and will help you address particular areas through computer analysis, test-taking strategies, exercises, and worksheets.

More than 3200 students have participated in our course and, on average, have improved an average of 3.1 points on their total score with the 8 week course.

We offer identical classes on Sunday and Monday at our Murray Guard location. Please attend one class per week.
