Improve your ACT Score!

Class designed for students taking the ACT Exam on April 14th & June 9th, 2018.

Our course helps find common trends in your mistakes and will help you address areas of concern through computer analysis, test-taking strategies, exercises, and worksheets.

More than 3200 students have participated in our course over the past twenty years and, on average, have improved 3.1 points on their total score.

Classes will be held at 600 Fishers Station Drive Victor, NY
